Summer Reading Club

Youth Services

Kids and Teens
 June 6–August 16

Kids and teens are challenged to read all summer long this year by keeping track of the days, instead of minutes, read! Each day that participants check in at the Library, they will spin the prize wheel. Join us on June 6 for the Kick-off Party!

See pages 6-7 for lots of fun programs to keep your little ones busy this summer. Parents, reading to your kids counts, too, so don't forget to pick up a reading log for yourself.

Adult Services

Adults (High school age and up)
 June 6–August 16

Read with us! Summer Reading Club at Hinsdale is better than ever! Read print books, eBooks, listen to audiobooks, and read with your family to win an amazing night with friends. Our grand prize this year is a Wine & Cheese Tasting Party for 10 people at Hinsdale's very own The Village Cellar (alternate dessert option available). Social media nut? We have a prize for you, too! Participation on our Facebook or Twitter pages using #hplreads15 will enter you into an additional drawing for a gift card for another local venue.

“Reading is to the mind what exercise is to the body.”

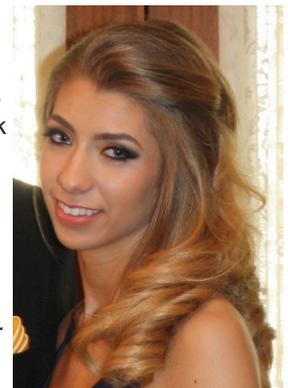

—Sir Richard Steele

Join the summer reading club at the Library to keep your mind sharp. Studies show that summer readers maintain more of their academic skills and are better prepared for the upcoming school year. Involving the entire family keeps everyone excited about reading!

Helen O'Neill Scholarship Winner

Congratulations to Immaculate Conception student Anna Awad! Anna has been a page at the Library since March 2014. We wish her the best of luck as she continues her education at University of Colorado.

Helen O'Neill was a lifelong Hinsdale resident and Head Librarian from 1963 to 1978. In 1999, donations made to the Library to honor Ms. O'Neill's memory were combined to establish the Helen O'Neill Scholarship Fund. From this fund and a matching contribution from the Friends of the Hinsdale Public Library, a scholarship is awarded each year to assist a deserving library page with his or her college education.

Summer Art Exhibit

The Story of a Sculpture by Patricia Potokar

June 2 through August 28

Every artist develops a series of steps that helps the creative process evolve. These steps are not linear; they are cylindrical. As a photographer, teacher, and artist, Pat Potokar saw the opportunity to document Barbara Cooper's work as she created a commissioned sculpture for the Library. Wrapping her head around the context and history of Hinsdale, Cooper began the creative process in her Chicago studio. Witness Cooper's journey documented in Potokar's photographs. The exhibit, located in the Quiet Reading Room, is free and open to the public.

Pat Potokar has been a certified Art faculty member at Hinsdale Central and South High Schools, teaching photography, video, and design for eighteen years. Pat holds a Bachelor of Art from the University of Illinois at Chicago in Photography and Graphic Design, and advanced degrees from Dominican University, Benedictine University, and a Master of Art in Art Education from The School of the Art Institute of Chicago. Before earning her teaching degrees, Pat worked as a designer in Chicago-area design firms for two decades. She has been a member of the Library's Art Committee since 2012.

Opening Reception

Tuesday, June 16
6:00 p.m.–8:00 p.m.

Meet the photographer and view her work during this open house.

What's New at HPL

Catalog Migration Update: It's Not You, It's Us!

Thank you for your patience throughout this catalog migration. We are continuing to work with SWAN and the catalog vendor to make this the best possible product for you. Training classes will start soon. And in the meantime, please call, email, or drop in and we'll walk you through the features you use most.

Big Changes for Little Readers

Face-out shelving for picture books, flexible programming space, Lego and train tables, and more space for reading together are just a few of the changes you'll see on the preschool side of the Library's Youth Services Department this summer.

The reconfigured space also includes lots of opportunities for creative and collaborative play. The new glass wall on the Storytime Room slides open to give children more space to play and explore when classes aren't in session. Budding chefs, shopkeepers, librarians, and puppeteers are finding creative ways to role-play behind the new multi-purpose Kids Counter.

And, a large display unit next to the Storytime Room makes it easier for kids and grownups to find parenting news, program information and a spotlight on special collections celebrating everything from Superheroes to Seuss-inspired rhymes. Come check it out!
