

HUGA

Harmony, Unity, Gratitude, Aloha

Wind down, relax with a session that taps into inner well being. By the soft glow of candles, execute body movements & stretching to the sound of ocean waves gently caressing the shore, the birds of Hawaii singing beautiful melodies & the tropical tradewinds rustling the palm fronds.

Malie ~ Peaceful

This unique program was created for
The Barefoot Hawaiian, Inc. over 8 years ago.

MONDAY, AUGUST 10, 2026
